

Tergil S

Neutral liquid sanitizing detergent for manual warewashing

TDS Tergil S – E1R1.0518 Page 1 of 1

TERGIL S is a neutral liquid detergent, with sanitizing action, formulated for washing by hand and contemporary sanitizing of dishes, food containers, tableware, etc. Effectively removes greasy dirt from dishes and glasses already at low concentrations.

Its formula with neutral pH does not result in redness and irritation of the skin of the hands.
